ASF FELLOWS AT UAB SCHOOL OF DENTISTRY

FELLOWS FOR LIFE

Ana Ospina

2020-21 ASF Fellow for Life
Community Site Partner: UAB School of Dentistry
Academic Mentor: Dr. Raquel Mazer
Site Mentor: Dr. Carly McKenzie

Ana created a Dental Spanish curriculum, implementing it through the four years of the UAB School of Dentistry curriculum with the support of the administration. To achieve this goal, she first developed content for four (4) lectures with voiceovers focused on teaching basic dental Spanish to aspiring dentists.

Some of her project outcomes include the following:

- Introduced Dental Spanish material to 282 pre-doctoral dental students
- Developed 4 lectures to introduce Dental Spanish, focusing on common patient interactions

Bhumika Patel

2020-21 ASF Fellow for Life
Community Site Partner: Blazer Kitchen at Hill Student Center
Academic Mentor: Dr. Raquel Mazer
Site Mentor: Debbie Morgette

Bhumika worked to improve the nutrition of UAB graduate students who shopped at the campus food pantry, Blazer Kitchen.

Some of her project outcomes include the following:

- All 15 self-reported learning more about a balanced diet and interpretation of nutritional labels
- All 15 demonstrated making healthy lifestyle changes via planning meals weekly & cooking at least one meal on weekends

CURRENT FELLOWS

Carolyn Grace Griffin & Jenai Bostic

2021-22 ASF Fellows
Community Site Partner: UAB Sparks Dental Clinic

Carolyn Grace Griffin and Jenai Bostic are addressing oral care in the special need's population at Sparks Dental Clinic by assisting patients who have Autism, cerebral palsy, and Down's Syndrome.

Henry Kendrick

2021-22 ASF Fellow
Community Site Partner: Birmingham Special Needs Affinity Group

Henry and his project partner, Matthew, will focus on improving the current patient-provider relationship between people with disabilities in the Birmingham community and future healthcare professionals through an interdisciplinary education program to improve provider confidence and communication skills.
