## FELLOWS FOR LIFE

### Greer McCollum

2020-21 ASF Fellow for Life  
Community Site Partner: One Roof  
Academic Mentor: Dr. Ann Elizabeth Montgomery  
Site Mentor: Gordon Sullivan

Greer's project increased One Roof's capacity to serve youth and young adults who are experiencing homelessness. As the Homeless Continuum of Care for Central Alabama, One Roof coordinates 45+ partner agencies serving individuals who are homeless. Greer worked with these partner agencies and outside institutions—like the child welfare and justice systems—to streamline their prevention and intervention efforts.

*Some of his project outcomes include the following:*

- A Youth Homelessness Needs Assessment Report was produced, including a quantitative and qualitative analysis of primary and secondary data (e.g., Census data, Homeless Management Information System data) not previously assembled specifically for youth

### Hadiyah Page

2020-21 ASF Fellow for Life  
Community Site Partner: Impact Family Counseling  
Academic Mentor: Dr. Christianne Strange  
Site Mentor: LaCrecia Day

Hadiyah sought to address the impacts that trauma, such as exposure to gun violence, has on youth by using the expressive arts as an outlet. She used various artistic mediums as a way for 7th-9th graders at Tarrant High School to identify and express their emotions and to set goals for their future selves.

*Some of her project outcomes include the following:*

- 17 students improved conflict resolution skills and felt more resilient when facing school and interpersonal challenges
- 26 students had a positive self-image

## CURRENT FELLOWS

### Grace Menzies

2021-22 ASF Fellow  
Community Site Partner:  
Changed Lives Mobile Clinic

Menzies and her project partner, Joia Pfeiffer, are focusing on creating a care delivery protocol based upon the Changed Lives Mobile Clinic, which has developed a sustainable, nurse-led, free model of care with telehealth during COVID.

### Shanquela Williams

2021-22 ASF Fellow  
Community Site Partner: Grace House Ministries

Williams will develop, implement and evaluate a financial health program for adolescent girls in foster care in Fairfield, Alabama.
